- present
- similar
- different
- changes
- transport
- technology

## Key Knowledge:

Toys, holidays, schools, homes, technology and transport have similarities and differences to when my grandparents were little.

Old toys – usually made of wood or metal

New toys – often made o plastic and with electronic

First Car 1886

First passenger train

First Plane Flight Wright Brothers 1903

Now, transport is much better and quicker, meaning we can travel to places more easily.
